

What Is Duffy's Pure Malt Whiskey?

It is an absolutely pure distillation of malted grain, great care being used to have every kernel thoroughly malted, thus destroying the germ and producing a predigested liquid food in the form of a medicinal whisky; softened by warmth and moisture, its palatability and freedom from injurious substances render it so that it can be retained by the most sensitive stomach.

It is a gentle, invigorating stimulant and tonic.

What Does It Do?

It builds up the nerve tissues, tones up the heart, gives power to the brain, strength and elasticity to the muscles and richness to the blood. It brings into action all the vital forces; it makes digestion perfect and enables you to get from the food you eat all the nourishment it contains.

It is invaluable for overworked men, delicate women and sickly children. It strengthens and sustains the system, is a promoter of good health and longevity, makes the old young and keeps the young strong.

It cures nervousness, typhoid, malaria, every form of stomach trouble, diseases of the throat and lungs, and is recognized as a medicine by doctors of all schools.

Thousands of letters have been received from men and women in all walks of life, many from those nearly 100 years old, extolling the virtues of Duffy's Pure Malt Whiskey as the world's greatest medicine.

BEWARE of imitations and substitutes. They are positively harmful and are sold for profit only by unscrupulous dealers. Look for the trademark, "the Old Chemist," on the label, and be certain the seal over the cork is unbroken.

SOCIAL NOTES

Patronesses.

Below is a list of the Honolulu ladies who will act as patronesses at the Biggart reading on Tuesday night at the Hawaiian Opera House. Society recognizes in this lady qualities which appeal to the best classes. Her ability to portray the leading characters of the Elton school is recognized all over the world. Honolulu has heard her and there is no doubt the Opera House will be well filled on Tuesday night to hear her condensed interpretative dramatization of George Eliot's novel, Adam Bede. The patronesses are: Mrs. Walter Fugate, Mrs. Sanford B. Dole, Mrs. Corwin P. Rees, Mrs. Samuel W. Dunning, Mrs. J. S. McGrew, Mrs. F. M. Swartz, Mrs. Henry Bond Rectorick, Mrs. Osborne, Mrs. S. M. The lovers of fine poultry have had an excellent opportunity of seeing an exhibition of rare and beautiful birds. Over four hundred of the feathered beauties, made their bow to the public, at the Armory and have held a regular reception to admiring crowds. The exhibition is one which Honolulu can well be proud of—this is the fifth and each year makes a better display of fowls which are of better stock. The fancy for this sort seems to be steadily increasing in Honolulu for it is an established fact that the taste of the people are becoming more educated, and they are bound to have the best. To some it is merely a fad to others a born love for the feathered tribe, and to some a source of revenue. The eggs of the class on exhibition bring very high prices, while many who do not disdain the common barn yard fowl, make quite a tidy sum out of this industry. The poultry show has received such encouragement, that it will be an annual treat and each year more interest will be felt toward its success.

Mr. and Mrs. Gustav Schaefer, were host and hostess at a violet dinner Tuesday evening at their cozy bungalow on Thurston Avenue. The house was fragrant with purple violets, the table and dining room was also decorated with these flowers. Covers were laid for six, the dinner was given in honor of Mr. and Mrs. Vance of San Francisco, who have been spending their honeymoon in the Islands. Those present at the dinner were: Mr. and Mrs. Gustav Schaefer, Miss Alice Heisemann, Mr. and Mrs. Vance and Mr. Harold Castle.

Mr. Edward and Mrs. Graham entertained informally, Sunday in honor of Mr. and Mrs. Wurts of Stockton, Cal. The entertainment was in the form of a dinner; Miss Hough and Miss Helen Hough were so enamored with Honolulu that they have decided not to sail on the 21st of this month, for their home in California but will remain in the island till the middle of February. During their stay here they have been extensively entertained and have made a host of friends.

Captain and Mrs. Low of the U. S. M. C. entertained Tuesday evening in honor of Mr. and Mrs. Wurts of Chezoo, prior to their departure, Wednesday on the Alameda for the mainland. On this occasion the artistic bungalow of the host and hostess was fragrant with cut flowers. Pink carnations and maiden hair were used lavishly as a table decoration. Among Captain and Mrs. Low's guests were: Mr. and Mrs. Wurts and Mr. and Mrs. Davies.

Two distinguished visitors to Honolulu arrived on the steamer Korea, Thursday, January thirteenth, Doctor and Mrs. Burdette, from Los Angeles, who are on a trip around the world, and are making Honolulu a resting place for three or four months. The people here will have a rare treat in having these brilliant people for visitors, a fact that will be greatly appreciated by the brainy people who belong here, for the opportunity of meeting these gifted travellers is most gratifying.

Lieut. Burchfield is residing at W. Kili, having left the Royal Hawaiian Hotel.

Mrs. Turner, Miss Turner and Miss Cox gave a charmingly appointed dinner Wednesday evening at the Moana Hotel to a dozen of their friends. It was strictly a service affair, only Army people were included in the invitation. The table was in pink and green, and presented an attractive appearance. After dinner the party joined in the dancing at the hop which was given at the Moana, in honor of the 26th Infantry.

Mr. Kibler of San Francisco is registered at the Young, Mr. Kibler is interested in oil lands in California.

CASTORIA

for Infants and Children.

Save the Babies.

INFANT MORTALITY is something frightful. We can hardly realize that of all the children born in civilized countries, twenty-two per cent, or nearly one-quarter, die before they reach one year; thirty-seven per cent, or more than one-third, before they are five, and one-half before they are fifteen!

We do not hesitate to say that a timely use of Castoria would save a majority of these precious lives. Neither do we hesitate to say that many of these infant deaths are occasioned by the use of narcotic preparations. Drugs, tinctures and soothing syrups sold for children's complaints contain more or less opium, or morphine. They are, in considerable quantities, deadly poisons. In any quantity, they stupefy, retard circulation and lead to congestions, sickness, death. Castoria operates exactly the reverse. It causes the blood to circulate properly, opens the pores of the skin and allays fever.

The signature of *Ralph Fletcher* guarantees genuine Castoria.

Physicians Recommend Castoria.

"I have used your Castoria in cases of colic in children and have found it the best medicine of the kind on the market." J. E. SIMPSON, M. D., Chicago, Ill.

"A medicine so valuable and beneficial for children as yours Castoria deserves the highest praise. I find it in use everywhere." J. S. ALEXANDER, M. D., Omaha, Neb.

"Have used your Castoria on various occasions in suitable cases and have found it a valuable and efficient laxative, especially in the various diseases of childhood." CHAS. EDWARD GARDNER, M. D., Brooklyn, N. Y.

"Your Castoria is a splendid remedy for children, the world over. I use it in my practice and have no hesitancy in recommending it for the complaints of infants and children." J. A. BOHRMAN, M. D., Kansas City, Mo.
